POLICY #616: SCHOOL DISTRICT SYSTEM ACCOUNTABILITY

—

I. PURPOSE

The purpose of this policy is to focus public education strategies on a process, which promotes higher academic achievement for all students and ensures broad-based community participation in decisions regarding the implementation of the Minnesota Academic Standards and federal law.

II. GENERAL STATEMENT OF POLICY

Implementation of the Minnesota Academic Standards and federal law will require a new level of accountability for the school district. Progeny Academy will establish a system to transition to the graduation requirements of the Minnesota Academic Standards. Progeny Academy also will establish a system to review and improve instruction, curriculum, and assessment, which will include substantial input by students, parents or guardians, and local community members. Progeny Academy will be accountable to the public and the state through annual reporting.

III. DEFINITIONS

- A. “Credit” means a student’s successful completion of an academic year of study or a student’s mastery of the applicable subject matter, as determined by the school district.
- B. “Graduation Standards” means the credit requirements and locally adopted content standards or Minnesota Academic Standards that school districts must offer and certify that students complete to be eligible for a high school diploma.
- C. “World’s best workforce” means striving to: meet school readiness goals; have all third grade students achieve grade-level literacy; close the academic achievement gap among all racial and ethnic groups of students and between students living in poverty and students not living in poverty; have all students attain career and college readiness before graduating from high school; and have all students graduate from high school.

IV. ESTABLISHMENT OF GOALS; IMPLEMENTATION; EVALUATION AND

REPORTING

A. School District Goals

1. The school board has established school district-wide goals which provide broad direction for the school district. Incorporated in these goals are the graduation and education standards contained in the Minnesota Academic Standards and federal law. The broad goals shall be reviewed annually and approved by the school board. The school board shall adopt annual goals based on the recommendations of the Advisory Committee for Comprehensive Continuous Improvement of Student Achievement (Advisory Committee).
2. The improvement goals should address recommendations identified through the Advisory Committee process. The school district's goal setting process will include consideration of individual site goals. School district goals may be developed through an education effectiveness program, an evaluation of student progress committee, or through some other locally determined process.

B. System for Reviewing All Instruction and Curriculum. Incorporated in the process will be analysis of the school district's progress toward implementation of the Minnesota Academic Standards. Instruction and curriculum shall be reviewed and evaluated by taking into account strategies and best practices, student outcomes, principal evaluations under Minn. Stat. § 123B.147, Subd. 3, and teacher evaluations under Minn. Stat. § 122A.40, Subd. 8, or 122A.41, Subd. 5.

During the first three years there will be an annual review of curriculum and instruction.

C. Advisory Committee for Comprehensive Continuous Improvement of Student Achievement

1. By May of each year, the Advisory Committee will meet to advise and assist the school district in the implementation of the school district system accountability and comprehensive continuous improvement process.
2. The Advisory Committee, working in cooperation with other committees of the school district will provide active community participation in:
 - a. Reviewing the school district instructional and curriculum plan, with emphasis on implementing the Minnesota Graduation Standards;

- b. Identifying annual instruction and curriculum improvement goals for recommendation to the school board;
 - c. Making recommendations regarding the evaluation process that will be used to measure school district progress toward its goals;
 - d. Advising the school board about development of the annual budget.
3. The Advisory Committee shall meet the following criteria:
- a. The Advisory Committee shall ensure active community participation in all planning for instruction and curriculum affecting Graduation Standards.
 - b. The Advisory Committee shall make recommendations to the school board on school district-wide standards, assessments, and program evaluation.
 - c. Building teams may be established as subcommittees to develop and implement an education effectiveness plan and to carry out methods to improve instruction, curriculum, and assessments as well as methods to use technology in meeting the school district improvement plan.
 - d. A local plan to evaluate student progress, using a local process, shall be used for developing a plan for assessment of student progress toward the Graduation Standards, as well as program evaluation data for use by the Advisory Committee in the instruction and curriculum review process. This plan shall annually be approved by the school board.
4. The Advisory Committee shall, when possible, be comprised of two-thirds community representatives and shall reflect the diversity of the community. Included in its membership should be:
- a. The Director of Curriculum (or similar educational leader)
 - b. School Board Member
 - c. One teacher from each instructional level
 - d. One parent from each instructional level
 - e. One resident of the community

- f. District Assessment Coordinator (if different from “a.” above)
 - 5. Translation services should be provided to the extent appropriate and practicable.
 - 6. The Advisory Committee shall meet in conjunction with the World’s Best Workforce Committee.
- D. Evaluation of Student Progress Committee. A committee of professional staff shall develop a plan to review instruction and curriculum, cultural competencies, including cultural awareness and cross-cultural communication, and student achievement at the school site.
- E. Reporting. Consistent with Minn. Stat. § 120B.36, Subd. 1, the school board shall publish a report in the local newspaper with the largest circulation in the district, by mail, or by electronic means on the school district website. The school board shall hold an annual public meeting to review and revise, where appropriate, student achievement goals, local assessment outcomes, plans, strategies, and practices for improving curriculum and instruction and cultural competency and efforts to equitably distribute diverse, effective, experienced, and in-field teachers, and to review school district success in realizing the previously adopted student achievement goals and related benchmarks and the improvement plans leading to the world’s best workforce. The school board must transmit an electronic summary of its report to the Commissioner in the form and manner the Commissioner determines. The school district shall periodically survey affected constituencies in their native languages, where appropriate and practicable, about their connection to and level of satisfaction with school. The school district shall include the results of this evaluation in its published reports and in its summary report to the Commissioner.
