I am aware that COMPANY may require documentation if an employee misses more than three consecutive days.

I am aware that I have 14 calendar days to provide the company with written documentation if it is requested. If the employee or family member did not receive services from a health care provider, then I am aware that I will provide a written statement indicating the employee is using Vacation/PTO for a MN ESST leave qualifying purpose.

I am aware that use of PTO/Vacation and/or MN ESST leave may run concurrently with any eligible FMLA or other protected leave.

I am aware that is against the law for an employer to retaliate, or to take negative action, against an employee for using or requesting earned sick and safe time or otherwise exercising their earned sick and safe time rights under the law. If an employee believes they have been retaliated against or improperly denied earned sick and safe time, they can file a complaint with the Minnesota Department of Labor and Industry. They can also file a civil action in court for earned sick and safe time violations.
