

Request for Proposal to Provide Educational Accounting Services

The Charter School, Progeny Academy, is seeking proposals for educational accounting services for both general education and special education.

The Board of Directors is seeking a proposal that will provide comprehensive educational accounting services including supportive oversight and management of the Districts general education and special education funds. Please address these items in your response: scope of services provided, cost of services, invoicing cadence, and any other suggestions you may wish to include for consideration

Please also address the following questions in your proposal:

1. How long has your organization been providing educational accounting services?
2. In what area(s) does your organization specialize (private practice, traditional school districts, charter schools, private schools, etc.)?
3. How often does your organization perform these services?
4. How is your organization staying up to date on the fiscal requirements and management of educational funds for public schools?
5. Can your organization provide client referrals that may be contacted?

Rights of the Board of Directors

- The Board of Directors reserves the right to accept or reject any or all proposals.
- The fee may be negotiated with the finalist. A cost of services is required as part of the submission. During the final selection process, the School may discuss a firm scope of work that will meet the School's service needs within the funds available.
- The School reserves the right to modify this RFP.
- Submittals shall be good until the Board has completed an award action of this RFP. Firms that take exception to this will be considered non-responsive and will be rejected.
